Description

Double-sided adhesive tape with foam base of the SIFER brand. Designed to offer a firm fixation by means of its adhesive on both sides, facilitating the binding of surfaces without the need for perforation or visible twisting.

Technical characteristics

- Mark: SIFER
- Reference: 9610WW
- Width: 24 mm
- Length per roll: 3 m
- Material: Foam
- Type: Double face

This tape allows for clean and fast mountings, taking advantage of the adhesion capacity of the foam to keep the parts together in a stable way. Its 3 meter roll format offers a sufficient length for multiple fixing applications.
