Description

GripForce Phillips impact screwdriver, designed for applications that require high performance and spin force. Its specific design facilitates work in situations where it is necessary to apply blows or forced turns.

Technical characteristics

- Model: GripForce
- Tip type: Phillips PH1
- Rod length: 75 mm
- Rod material: Vanadium chromium and molybdenum steel
- Finished the rod: Chrome
- Handle material: Anti-slip and ergonomic
- Dimensions of the package: 3,00 x 3,00 x 19,00 cm

The handle incorporates a specific ledge for tapping and flat parts that allow to add auxiliary tools in case you need more torque. The combination of materials ensures high resistance to levers and impacts, ensuring durability in intensive use.
