Description

GripForce Phillips impact screwdriver, designed for applications that require high performance and spin force. Its specific design allows effective handling in demanding tightening and loosening tasks.

Technical characteristics

- Model: PH3
- Length: 125 mm
- Rod material: Vanadium chromium and molybdenum steel
- Finished the rod: Chrome
- Mango: Anti-slip with protrusion for punching
- Dimensions of the package: 27.00 x 6.00 x 4.00 cm

The handle incorporates flat parts to facilitate the application of additional tools in forced turns. The combination of materials ensures a high resistance to levers and blows, maintaining the durability of the instrument.

Specifications

EAN	8445187481532
