Description

Kit of female atomizer designed for dosing systems, which includes the connecting part and the tool necessary for its installation. This set allows the atomizer to be integrated into the existing infrastructure in a precise way.

Technical characteristics

- Main colour: Chromium
- Model: Female
- Secondary colour: Blue
- Secondary material: Plastic
- Main material: Brass
- Packaging typology: Blister
- Maximum input diameter (Ø): 22 mm
- Main colour: Chrome
- Model: Female
- Secondary material: Plastic
- Main material: Brass
- Type of packaging: Blister

The combination of brass and plastic offers a specific structure for the 22 mm female connection. The chrome finish and details in blue visually identify the component. Blister packaging facilitates the display of the contents and the protection of parts during storage.

Specifications

Colour	Cromo
EAN	8433373098473
Manufacturer	Gifont
Material	Brass
Weight (kg)	0,016
