

## Product sheet

**S&P Plastic ventilation outlet  
BDOP-80 white 80 mm**

Brand: S&amp;P

Reference: SYP 5209185400

Plastic mouth BDOP-80 square shape and white, with nominal diameter of 80 mm connection. Designed for extraction or drive systems in simple flow, double flow or air conditioning installations.

[View product online](#)**Description**

The plastic mouth BDOP-80 is a white ventilation element designed for extraction or drive systems. Its square shape and nominal diameter of 80 mm make it suitable for installations of simple flow, double flow or air conditioning. In drive mode, it allows to adjust the direction and range of air flow.

## Technical characteristics

- Material: Plastic
- Form: Square
- Nominal diameter of the connection duct: 80 mm
- Colour: White
- Power valve: Yes
- Drain valve: Yes
- With volume control: No
- Self-control: No
- Adjustment of 2 positions: No
- High induction: No
- With filter: No
- Limited output pattern: No

It is available for mounting with flow controller on the cuff (BDOP models) or on the duct (BDO models). Its design facilitates integration into standard ventilation systems.
