

Product sheet

S&P Ventilation grille 250 x 100 mm

Brand: S&P

Reference: SYP 5800010400

Ventilation grid with dimensions of 250 x 100 mm, designed for air conditioning systems. Its robust structure ensures durability and efficient airflow in technical installations. The assembly is simple, allowing quick integration into standard conduits without compromising system performance.

[View product online](#)**Description**

S & P's Grid 250 x 100 MARTE250100 is a component designed for ventilation and air conditioning systems, facilitating air flow in specific installations.

Technical characteristics

- Dimensions: 250mm x 100mm
- Mark: S & P
- Model: MARTE250100

This element makes it possible to optimize air circulation in the space where it is installed. Its structure is designed to integrate efficiently into air conditioning systems, ensuring constant performance according to the manufacturer's specifications.

Specifications

High	250 mm
EAN	8413893550262
Manufacturer	S&P
