Description

The 2-way, 1000 mm-long Airzone linear diffuser is designed to optimize air distribution in air conditioning systems. Its structure favors the flow drive in two directions, allowing efficient control of ventilation, heating and air conditioning by moving slats.

Technical characteristics

- Mark: Airzone
- Model: DFLI 2V
- Length: 1000 mm
- Exit routes: 2
- Colour: White
- Elements: Mobile slats
- Installation: Networking of conduits

This diffuser allows you to adjust the direction of the air thanks to its moving slats, facilitating integration into existing duct installations to maintain an adequate environmental comfort.

Specifications

Colour	White
EAN	8435418919682
Manufacturer	Airzone
