

Product sheet

**Airzone Clip return grille
300x150mm white**

Brand: Airzone

Reference: ZONE RSDR030015BKX

Extruded aluminum return grid with dimensions of 300x150 mm and white finish. It incorporates standard frame of 26 mm and horizontal moving slats that allow the individual regulation of the reach and the air vein, facilitating the adaptation of the flow to the specific needs of each technical installation.

[View product online](#)**Description**

Return grid of 300x150 mm in white color, designed for the management of air flow in air conditioning systems. This element allows the individual regulation of the horizontal moving slats, facilitating the adaptation of the range and the air vein to the specific needs of each installation.

Technical characteristics

- Dimensions: 300x150 mm.
- Colour: White.
- Material: Extruded aluminum.
- Standard frame of 26 mm.
- Mobile horizontal slats with individual regulation.

The extruded aluminium structure ensures a solid base for the diffusion system. The possibility of adjusting each slat separately offers precise control over the direction of the air, optimizing the efficiency of the return in the space where it is installed.

Specifications

Colour	White
EAN	8435418976210
Manufacturer	Airzone

Material	Aluminio
