Description

Return grid of 400x150 mm in white color, designed for the management of air flow in air conditioning systems. This model incorporates a clip fixation system that facilitates its installation in ducts or ceilings, ensuring an aesthetic and functional integration into the space.

Technical characteristics

- Dimensions: 400x150 mm
- Colour: White
- Material: Extruded aluminium
- Standard frame of 26 mm
- Mobile horizontal slats
- Individual regulation of slats
- Clamping system by clip

The mobility of the slats allows to precisely adjust the range and the air vein, adapting the direction of the flow to the specific needs of each installation. This individual regulation capacity optimizes air distribution, improving the efficiency of the ventilation or air conditioning system in which it is integrated.

Specifications

Colour	White
EAN	8435418977583
Manufacturer	Airzone
Material	Aluminio
