Description

Return grid of 600x100 mm in white color, designed for efficient management of air flow in air conditioning systems. This model incorporates a clip fixing system that facilitates its installation in ducts or ceilings, ensuring a clean and functional integration into the space.

Technical characteristics

- Dimensions: 600x100 mm.
- Colour: White.
- Material: Extruded aluminum.
- Frame: 26 mm standard.
- Lamas: Horizontal and mobile.
- Regulation: Individual to adjust range and air vein.

The possibility of regulating the slats independently allows the direction and intensity of the air to be adapted to the specific needs of each installation. This flexibility contributes to better control of environmental comfort and optimization of ventilation system performance.

Specifications

Colour	White
EAN	8435418980385

Manufacturer	Airzone
Material	Aluminio
