Description

The Touch Chronos Cable Command is a control device specifically designed to integrate with the Novaplug system. This accessory allows the management of functions through a touch interface, facilitating interaction with the main equipment through a stable cable connection.

Technical characteristics

- Model: Cronos
- Interface type: Touch
- Connection: Cable
- Compatibility: Novaplug system

This controller offers a direct and reliable control solution for users who require specific compatibility with the Novaplug platform. Its tactile design simplifies daily operation, eliminating the need for complex physical buttons and providing an intuitive and accurate use experience.

Specifications

EAN	8499211981505
Manufacturer	Koolair
