Description

WADFOW 9 foot chain wrench, designed for tightening and loosening of pipes and circular components. Its compact size facilitates work in reduced spaces, such as handling car filters.

Technical characteristics

- Size: 9 feet
- Clamp diameter: 60-150 mm
- Chain length: 520 mm
- 22 cm forged handle
- Heat treatment
- Chrome finish
- Colour: Grey / Silver
- Card presentation

This model stands out for having a smaller handle and a greater amount of chain (52 cm) compared to the reference 50096. In the absence of double gag, it offers a specific clamp for medium diameters, optimizing maneuvering in automotive maintenance or plumbing tasks where space is limited.

Specifications

Colour	Plata

Diameter	60-150 mm
EAN	6942123018736
