Description

WADFOW 6 edged glass wrench, designed for tightening and loosening nuts and hexagonal screws in general mechanical tasks. This accessory is presented in a polished silver finish, offering a smooth surface and a professional look for daily use in workshops or maintenance.

Technical characteristics

- Mark: WADFOW
- Type: 6 edged glass key
- Size: 1/2" (24 mm)
- Material: Steel 50BV30
- Finished: Chromed and polished
- Treatment: Thermal
- Colour: Plated
- Presentation: Individual blister

The combination of the 50BV30 material and heat treatment ensures the strength needed to withstand the usual mechanical stresses. The 6 edge design facilitates the attachment of the parts, while the blister presentation allows rapid identification of the size and proper preservation of the tool until use.

Specifications

Colour	Plateado
EAN	6941786807015
Material	Steel
