Description

The WADFOW automatic sprinkler is a garden accessory designed for efficient irrigation using a two-way pulsating system. Made of high impact plastic, it offers durability and lightness for use in hose accessories.

Technical characteristics

- Material: ABS, POM and PP plastic.
- Adjustable spray pattern from 20° to 360°.
- Irrigation coverage of up to 4,874 square feet.
- Two outputs that allow multiple connection.
- Top dial to adjust the range distance.
- Colour: Blue and Orange.
- Blister presentation.

This device allows to adapt the flow of water to the specific needs of the space, optimizing the consumption thanks to its adjustable pattern. The double output facilitates installation in more complex irrigation systems or the simultaneous connection of two water points.

Specifications

Colour	Orange

EAN	6942431487910
Material	ABS
