Description

The WADFOW white rubber mallet is a punch tool designed to work with delicate surfaces. Its construction in natural soft rubber allows to apply controlled force without damaging the part, guaranteeing a clean and safe finish in each impact.

Technical characteristics

- Weight: 220 g
- Head tural rubber, soft type
- Characteristic: No spark
- Heads: Plastics that do not damage
- Handle material: Fiberglass
- Handle design: Single
- Presentation: Label packaging

This mallet effectively protects the surface of the workpiece thanks to its plastic faces and rubber head. The absence of sparks and the fiberglass handle offer safe and ergonomic handling for assembly or adjustment tasks where material integrity is a priority.
