Description

WADFOW portable lamp designed to provide flexible lighting in spaces where mobility is a priority. Its compact structure and long cable allow for easy relocation, facilitating work in areas without direct access to the electrical grid. Technical features Maximum bulb power: 75W Aluminum lamp shade Base: E27 Durable plastic body 10m cable length (3*0.75mm²) No bulb included Weight: 980g Color box presentation Color: Black The hook design and 10-meter cable length extend the reach of the lighting, while the plastic body and aluminum shade ensure a lightweight yet robust structure. The E27 base is compatible with a wide variety of standard bulbs, offering versatility in the choice of light source.
