Description

This two-bit long Phillips game from the WADFOW brand is designed to offer precision in tightening and unscrewing tasks. Presented in a practical blister, this set includes two bit units with silver finish, optimized for efficient use in hand or electric tools. Technical characteristics Material: Chromium-Vanadian (CrV), hardened and tempered. Type of surface: Sanded. Action: PH1 x 50 mm. Colour: Silver. Presentation: Blister with 2 units. Packaging: Small box of 200 units or large box of 400 units. The combination of the CrV material with the hardening and tempering treatment ensures a suitable durability for regular use. The sanded surface and blister format facilitate the identification and orderly storage of the parts.
