Description

Phillips PH2 screwdriver tips from the WADFOW brand, designed for fixing tasks. This set includes 200 units with a length of 50 mm, made of chrome-vanadium steel (Cr-V) for durability in use.

Technical characteristics

- Material: Cr-V
- Type: Phillips PH2
- Length: 50 mm
- Diameter: 5 mm
- Area: Sanding with non-slip
- Property: Magnetized
- Presentation: Bottle with 200 pieces
- Major packing: Large box of 6 units

The sanded surface and non-slip treatment facilitate grip, while magnetization helps to retain screws during operation. The boat format allows a practical organization of the material.

Specifications

EAN	6932584816644
Material	Acero al cromo vanadio
