Description

A 1/2" (27 mm) long impact vessel from the WADFOW brand, designed for use in manual, electrical and pneumatic impact wrenches. Made of Chrome-Molybdenum steel (50BV30) with blackened finish and corrosion resistant coating. Technical characteristics Material: Chromium-Molybdenum steel (50BV30) Connection: 1/2" Measure: 27 mm Length: 78 mm Colour: Black Finished: Blackened with anticorrosion coating Process: Cold extrusion and heat treatment Presentation: Blister Packaging: Small box (8 pcs) or large (48 pcs) This glass offers robustness thanks to its thermally treated metal composition, ensuring durability in demanding mechanical applications. The blister presentation facilitates the display of the product and its orderly storage.

Specifications

Colour	Black
EAN	6941786815195
Long	78 mm
Material	Acero al cromo molibdeno
