Description

The WADFOW SDS Plus drill bits are an accessory designed for rotomartillo drills, optimized for drilling in hard materials thanks to their high-quality TCT tip. Its chrome-vanadium steel rod guarantees the necessary strength for professional use in percussion tools. Technical characteristics Measurements: 6 x 210 mm Attachment system: SDS Plus Point: High quality TCT Vástago: Chromium-vanadium steel (CrV) Area: Sanding Presentation: Hanger Units per small box: 50 Units per large box: 150 The combination of the TCT tip and the CrV stem offers superior durability in drilling jobs. The sanded surface improves aesthetics and grip, while the hanger presentation facilitates visualization and organization at the point of sale.

Specifications

EAN	6932584820979
Range	Profesional
Material	Acero cromo vanadio
