Wall drill bit hex shank 6x100 mm WADFOW

Brand: WADFOW

Reference: GIB 051654

WADFOW wall drill with hexagonal stem and dimensions of 6x100 mm. Designed to drill concrete, brick and blocks, it facilitates the removal of soft dust during the process. It is presented in individual blisters, optimizing stock management and product identification on site.

[View product online](#)**Description**

The WADFOW wall drill is designed for drilling in building materials such as concrete, brick and blocks. Its hexagonal stem structure ensures a firm grip on the drill, while its design optimizes dust removal during the drilling process, contributing to more efficient execution of the work. The amount per box allows an efficient organization of the stock for construction or DIY projects requiring a significant volume of drilling consumables.

Specifications

Colour	Plateado
EAN	6932584812394
Long	100 mm
