Description

Kleaner metal handle replacement, designed specifically for brushes and brooms. This replacement component is made of metal with a grey finish, which allows maintaining the functionality and aesthetics of the original cleaning tools.

Technical characteristics

- Handle material: Metal
- Length: 120 cm
- Diameter: Ø21.5 mm
- Thread type: American
- Colour: Grey
- Product type: Replacement

The combination of the length of 120 cm and the diameter of 21.5 mm provides a suitable clamp for domestic use. The American threaded tip ensures a secure and stable fixation, ensuring compatibility with the standard mounting mechanisms that require this specific threaded connection type.
