Description

The spanner Gripforce screwdriver is a manual safety tool designed to tighten and loosen double pointed screws, known as snap eye. Its tip with two ledges fits into the screw holes, making it difficult for unauthorized handling in urban furniture, public toilets, lifts and signage.

Technical characteristics

- Material: Chromium steel vanadium molybdenum
- Length of rod: 10 cm
- Tip size: SP10
- Finished: Chrome for corrosion protection
- Magnetic tip for screw retention
- Black and blue thermoplastic handle with non-slip grip

Chromium-vanadium and molybdenum steel provides high resistance to torsion, preventing the tip from wearing out or rounding. The chrome finish facilitates cleaning and protects the metal. The magnetic tip allows working with a single hand in hard-to-reach spaces.

Specifications

Colour	Negro / azul
EAN	8445187480702
