Description

It is a set of impact screwdrivers of the Bahco brand, designed for manual works that require strength and precision. The kit includes a main tool with shock capacity and a 12-point interchangeable set, making it easier to adapt to different types of screws without the need to change a complete tool.

Technical characteristics

- Mark: Bahco
- Product type: Set of impact screwdriver
- Includes: 1 main handle/driver and 12 interchangeable tips
- Model reference: 7865= (921 = 12P)

The combination of a multi-tip impact mechanism allows for greater torque to be applied to stuck or hard to reach screws, optimizing performance in mechanical repairs and assembly.
