Description

The BAHCO cup key model 7800DM is a high-precision manual tool designed for tightening and dismantling nuts and bolts. With a 32 mm mouth size, this piece is part of the professional range of the brand, ensuring durability and a secure grip in various mechanical applications.

Technical characteristics

- Mark: BAHCO
- Type: Glass key
- Mouth measure: 32 mm
- Format: 1/2 inch
- Design: 12 songs
- Product code: 7800DM (reference 710-32)

The design of 12 edges allows a greater working angle, facilitating the use in reduced spaces where the complete rotation of the handle is not possible. Its robust construction ensures reliable performance under demanding working conditions.
