Description

The 600W Worgrip Drill Percutor is a versatile tool designed for drilling and screwing jobs, presenting itself in a complete kit that facilitates its immediate use. Its ergonomic design and the inclusion of more than 30 accessories guarantee a comprehensive solution for various maintenance tasks.

Technical characteristics

- Nominal power: 600W.
- Voltage: 230V / 50 Hz.
- Adjustable vacuum speed: up to 2,800 RPM.
- Impact frequency: up to 44,800 impacts per minute.
- 13 mm automatic screw holder.
- Reversible double twist.
- Ergonomic handle with grip areas and auxiliary grip.
- It includes more than 30 tools and accessories.

Electronic regulation allows you to adapt the speed to the material, while the function selector adjusts the tool between normal drilling and percussion. The locking button facilitates continuous work without fatigue, and the depth cap ensures accurate drilling.

Specifications
