Blind cover double white SIMON 10001800-130

More information about the series Simon 100

Simon 100 born with the aim to simplify the life of the people. Its main feature is the usability, which is designed to facilitate the users interaction with it. It is a revolutionary line in terms of usability, aesthetic innovation and technical as it is the first interface with drive by press to be used with the hand.

Its key horizontal drive pulse allow a surface interaction maximum, always the same size and with the same drive. In addition to the provision of a matrix of keys is more intuitive and easy to remember. In addition, the kits of **Simon 100** grouped together with minimal functions for each room with the purpose of users to be able to cover all their needs under a clean aesthetic, and no lines.
