Frame for 3 elements white Simon 27 Scudo

[View product online](#)**Description**

It is a framework suitable for 3 items that is included in the series Simon 27 Scudo, a collection that provides the same benefits as the series Simon 27, but offering a greater resistance. Its mechanisms, therefore, have been specially designed for installation in spaces of high traffic and provide maximum protection from bumps and manipulations. The frame is of white color and is made of thermoplastic.
