Telephone outlet with 4 contacts RJ11 ivory Simon 27
Play[View product online](#)**Description**

Few actions that we perform in the day-to-day do not use any type of technology. At home, at work or in the places in which we enjoy our leisure time is an element. The series Simon 27 highlights combine efficiently a design of neutral lines, that house with comfortable, modern rooms, simple and functional, with a note of color, such as, for example, in the telephone Jack with four contacts RJ11 in ivory included in this range.
