Base-socket schuko 16 A-250V~ with device security and embornamiento to screw red Simon 31

[View product online](#)**Description**

The series Simon 31 stands out for the outlets included in its extensive catalog. One of the most sold in this range is the Base of the plug in format earth schuko with intensity 16 A and voltage up to 250V~ with embornamiento to screw in finish red. With a simple operation by push, we are looking at a plug base ideal for buildings with smaller hospitals, hotels or educational institutions, since tops include the role of child protection.
