Description

Individual key of the series Simon 73 Loft, finished in graphite colour (although is available in 3 finishes and it is always recommended to choose the frame in the same color of the selected button) with recorded light. This series Simon 73 Loft presents a maximum adaptability, as it features 2 sets of surface that are adapted to the same mechanism. In addition, it is a range very versatile, as it is quick to assemble, safe, and aesthetic, with a wide range of functions.
