Description

2 white frame chrome base elements SIMON DETAIL 8201620-244 Los 82 frames Simon 82 series detail offer a range of possibilities where design becomes the protagonist of any espacio. Los 82 frames Simon detail El most characteristic detail of the Simon collection 82 detail is its base and projecting seems to float on the wall. A detail that differs from any number of other electrical devices. Two ranges for two different finishes: The original and selec ranges are composed of different families according to their material and finish. Families that give you the opportunity to combine any of the pieces together and create environments with personality. Marcos simon 82 clean and light lines, with a detail of color. Marcos simon 82 elegant and exclusive SELECT Diseño detail with a touch of personality ORIGINAL detail. Compatibility with other series of simon La collection detail simon 82 supports 82 and 82 nature series, in this case it is only necessary to change the frame. Simon series with 75, 31 and 88 need to change the framework and key or lid, the mechanism is the same, so if you want to update these series of mechanism, saving mechanism is a significant amount.
