Ceiling surface motion detector detection 8m EDM

Brand: EDM

Reference: EDM 03221

Ceiling surface motion detector detection 8m EDM

- 360° detection angle
- Maximum power of 1200w
- Adjustable time from 1-5-8 min
- Operation indicator with LED
- Dimensions: 11.5cm in diameter and 5.8cm in height

Description

Ceiling surface motion detector with 8m EDM detection

The ceiling surface motion detector with 8 meter detection is the perfect solution to keep your home safe and efficient. With a 360-degree detection angle, this detector can detect movements in all directions, ensuring complete coverage. With a maximum power of 1200W, this detector is capable of controlling a wide range of electrical devices. In addition, its adjustable time of 1, 5 or 8 minutes allows you to customize the activation duration. The LED operating indicator gives you a clear visual signal when the detector is operating. With a compact size of 11.5cm in diameter and 5.8cm in height, this detector easily fits into any space on your ceiling.

- 360 degree detection angle
- Maximum power of 1200W
- Adjustable time of 1, 5 or 8 minutes
- Operation indicator with LED
- Compact size of 11.5cm in diameter and 5.8cm in length height

Specifications

EAN	8425998032215
-----	---------------

Country of origin	India
Weight (kg)	0, 212
