Solar repellent for moles 231458 Massó

Brand: MASSÓ

Reference: EDM 06105

Solar mole repellent 231458 Massó

Solar mole repellent that works day and night to keep moles, voles and other rodents away from the garden. It covers up to 625m² in a circle, emitting low frequency sounds that vibrate the ground in a circular pattern. It has an internal battery rechargeable with sunlight and emits sounds and vibrations every 40 seconds. It is recommended to use two units in areas with a higher presence of rodents and remove the object for lawn maintenance.
