Description

6 Cup Drip Coffee Maker 550W EDM

Enjoy delicious freshly brewed coffee with the 6 Cup Drip Coffee Maker 550W EDM. With a power of 550W and an anti-drip function, this coffee maker offers you perfectly prepared coffee at all times. Its removable and washable nylon tilting filter guarantees easy cleaning, while the on/off light indicator lets you know when it is in operation. The translucent water tank with level markings makes preparation easier, and its heat retention function keeps the coffee hot for 30 minutes. In addition, it has overheating protection for your peace of mind.
