Description

The Varta indestructible key chain light is a compact and resistant accessory, ideal for carrying on your keychain and always having a reliable light source on hand. With a 5mm white LED that offers an improved beam, this flashlight is incredibly robust, withstanding drops of up to 9 meters, and is waterproof with an IPX4 protection rating. Its rubber head and back cover guarantee maximum durability, while its light weight of 30.3g makes it easy to transport. With a length of 83mm and a head diameter of 23mm, this flashlight has a focus range of up to 10 meters and a duration of up to 3.5 hours. With a total lighting power of up to 12 lumens, this flashlight is powered by an included high-energy AAA battery, making it a practical and efficient option to illuminate any situation.
