BJC 16516 button

Brand: BJC

Reference: BJC 16516

button 10A BJC

Manufacturer: BJC

[View product online](#)**Description**

button BJC is compatible with the series of mechanisms **BJC Coral** , **BJC Sol Teide** and **BJC Rehabitat** .

This precise mechanism of its corresponding metal frame for installation and assembly. Depending on the series that you will install, you can buy them by the frame or separately. Code frame: BJC 16-BAST

10A

250V

The mechanisms interruption **BJC** are equipped with silver contacts maximum purity (900/1000) guarantee a high degree of conservation and performance level.

Fast and safe Clamping: all switching mechanisms are provided with automatic connectors new generation flows independent contact greater coverage area for wiring. The terminal connection for the flexible conductor takes place with a comfortable pressure on the levers always disconnect, providing constant support and proper contact.

Automatic connection annunciator: the switching mechanisms or pulsation can be luminous. Signaller is conexiona, in a very simple way, ahead of the mechanism.

Automatic connection annunciator: the switching mechanisms or pulsation can be luminous. Signaller is conexiona, in a very simple way, ahead of the mechanism.

Automatic connection annunciator: the switching mechanisms or pulsation can be luminous. Signaller is conexiona, in a very simple way, ahead of the mechanism.

Specifications

EAN	8421870020301
Manufacturer	BJC
Piece type	Electrical mechanisms
Series	BJC Rehabitat
