Description

Premium rectangular silicone mold measuring 31x13.5x7.5cm designed to withstand freezing temperatures of -20°C and cooking temperatures of up to +220°C. Ideal for preparing both sweet and savory products, as well as hot or cold preparations. Cooking is faster and more uniform thanks to its structure, allowing quick and easy unmolding. Its non-stick properties eliminate the need to grease the mold, making it easy to clean with hot water or in the dishwasher. It has a rigid plastic contour to hold and manipulate the mold.
